

Assistant Program Trainer

Can Do Canines, a nonprofit organization located in New Hope, Minnesota, is seeking an individual to serve as an Assistant Program Trainer to work with dogs that are in the kennel for final training.

The ideal candidate will have substantial (3 years or more) dog training knowledge and experience – experience training Assistance Dogs is a plus.

This hourly full-time position will assist our Program Trainer to evaluate dogs in training, participate in kennel management and maintenance, and maintain training records. The position is slated to begin in January 2012. We will accept applications until December 10, 2011. Only serious candidates with the required experience will be considered for interviews.

Can Do Canines offers a comprehensive benefit package including Paid Time Off, Health and Dental Insurance, and after one year, 403(b) pension package.

To apply for this position, you may fax, mail, or e-mail your cover letter and resume to:
